

Project Initialization and Planning Phase

Date	29 June 2026
Team ID	N/A
Project Name	Rising Waters
Maximum Marks	3 Marks

Define Problem Statements (Customer Problem Statement Template):

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love. A well-articulated customer problem statement allows you and your team to find the ideal solution for your customers' challenges. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Example

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A resident living in a flood-prone area.	Receive an early warning about possible floods to protect my family and property.	I don't know when the river water level will rise or when flooding may occur.	I don't know when the river water level will rise or when flooding may occur.	Worried, unsafe, and unprepared during heavy rainfall.
